## 2nd Step

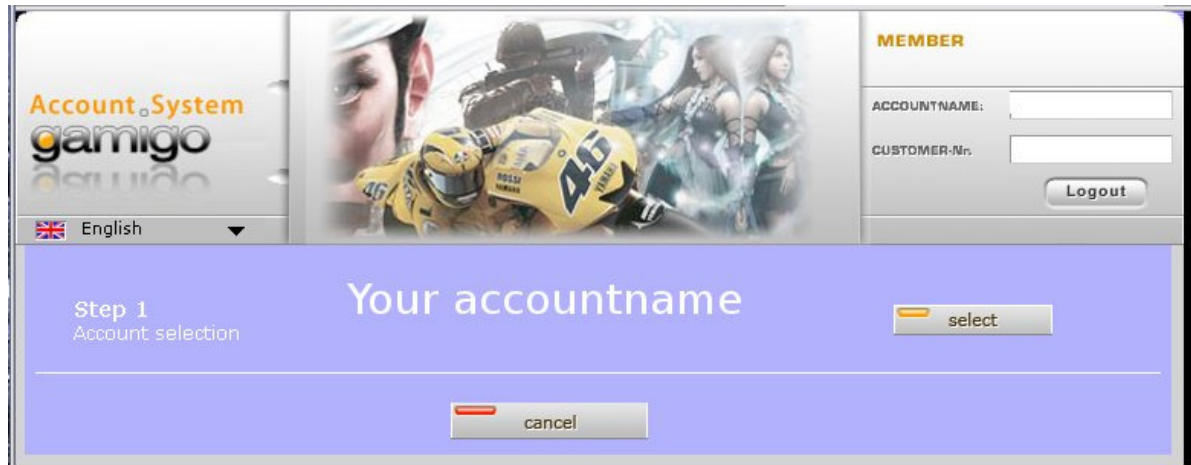

Enter the Fiesta Online Shop.

To do so, click "Shop".

## 3rd Step

Select your account and click "Select" to continue.

## 4th Step

You may need to click on Fiesta Taler to access the right menu (the menu displayed on the illustration).

To buy a pack, click on "Select". The selected packs are displayed in the cart. If you want to delete a batch, click the red cross. The amount shown includes the bonus offered for large volumes. Click "Next" to continue.

The screenshot shows a web interface for selecting 'Fiesta Taler' packs. It is divided into two main sections: 'Product selection' on the left and 'Your cart' on the right. In the 'Product selection' section, three options are listed: '2700 Fiesta Taler' for 2.99 EUR, '4600 Fiesta Taler' for 4.99 EUR, and '9400 Fiesta Taler' for 9.99 EUR. Each option has a 'select' button. The '2700' option is currently selected, and its 'select' button is highlighted with a red box. In the 'Your cart' section, a summary shows '1 x 2700 Fiesta Taler' for a total of 2.99 EUR, with a red 'X' icon for removal. Below the cart summary, a 'cancel' button and a 'next' button are visible at the bottom of the interface. The 'next' button is highlighted with a red box.

## 5th Step

Select the payment method which best suits you. Be aware that some payment methods are faster than others. The method which takes the longest amount of time is the bank transfer; because the Fiesta Taler will be transferred to your account once the payment has been received (it may take up to 5 days since we are in Germany).

In case of technical problems, with the item shop or with the purchasing of Fiesta Taler, the crediting of Taler may take longer than expected. Please feel free to contact our technical support: <https://ticket.gamigogames.de/index.php?languageid=1&group=english>

For added comfort in purchasing Taler, new methods of payment will soon be added to the Gamigo Account System.
